There is no valid CRF for this serial number, please provide us with another valid serial number.

Thank you  
Gary

Subject: Sequence search 10/077,173

In re: 10/077,173

Please search SEQ ID NO:1 aa residues 1-184 and aa residues 8-41.

Please search both commercial and interference databases.

Please print out top 50 hits in each category.

Thanks.

IDENTIFIERS: estrogen receptor gene mutation estrogen resistance  
DESCRIPTORS:

Bone...

estrogen in human male required for normal skeletal growth and development

Animal growth, disorder, tall-stature... Osteoporosis...

estrogen receptor gene mutation leading to estrogen resistance in human male with

Estrogen receptors... Gene, animal... Mutation, transition...

Receptors, estrogen... Sex...

estrogen resistance in human male caused by mutation in estrogen-receptor gene

Estrogens...

resistance to estrogen in human male caused by mutation in estrogen-receptor gene
